President's Corner

HOT, HOT, HOT!! Hydrate!
This heat has kept us all inside during the day, but the evenings seem to cool down. Every city is offering evening “Musical Concerts in the Park” that provides us with some relief and enjoyment, and they continue through August. Enjoy the rest of the summer with a night or two out under the stars with music.

East San Gabriel Valley Branch Board of Directors are spending their time and efforts to set up for the 2018/2019 programs and activities. Board members will be meeting every week during the month of August to finalize all planning. Activities and dates will be published in the 2018/2019 Directory/Yearbook which will be first distributed to members at the September 29th STEM Tech Trek Ice Cream Social.

If you have an idea or two that you would like the Board to implement for 2018/2019, please feel free to email me with the idea, my email:
