## The Twig — June 2024 President's Corner

It will soon be time to say good-bye to Spring and welcome Summer and welcome we will! First we want to say congratulations to all the kids, grandkids, and various others who are graduates in 2024. This is such an exciting time for families and I know we share in all the excitement at this time.

Some of our Interest groups are winding up their first part of their year and will resume in September and some will continue all summer. What wonderful groups we have and knowing that every member is welcome is such fun!

Our committees are hard at work and the Scholarship committee is presenting their awards for the 2024-25 awardees. The Fashion Show committee is continuing to put together the most exciting fashion show to date. The baskets will be filled with wonderful surprises and the decorations are... I'm telling too much, so on October 5th everyone is going to be very surprised!

Our last activity of the year will be our Installation on June 15th at the Continental Restaurant. The cost will be \$28.00 and there is a large selection of meals. Hope you can make it as we introduce and award all seven of our scholarship winners. Seven scholarship young women is so exciting, isn't it?

Take care and hope to see you soon,

Barb Forgey and Joey Sanchez, Co-presidents
